Melissa,

We will look into your concern promptly.

We have spent many days and many calls trying to resolve your concerns as a practical rather than as a legal matter. Your adversarial tone is noted.

We will proceed as appropriate.

Please let us know by close of business tomorrow whether your clients will appear at their depositions as noticed by GuidePost on February 7 and 8.

Best regards.

Regarding the discovery designations, based on the previous order of the court, we are comfortable with the current AEO designations.
